Read our blog post on 30 years of Avast In the late 1980's, the world happily said goodbye to, among other things, the Cold War, the Berlin Wall, and chunky sewn-in shoulder pads.. But that time did not mark the end of an era as much as it did the beginning of one, for it was also the dawn of the web as we know it today.. With that release, no barriers — financial or otherwise — could keep people from protecting themselves. [Key For Parallels 9 Mac](#)
